Dear Dr Mingqian Tan,

Thank you for registering as a delegate for 2014 International Biophysics Congress. This event will be held from 3rd - 7th August 2014 at Brisbane Convention and Exhibition Centre, Brisbane, Queensland.

Your registration and payment has been received and successfully processed.
We look forward to seeing you in Brisbane.

We have received the following abstract submissions:
Design of fluorescent carbon dots and their application for mitochondrial-specific imaging in live cells

Please use this letter to assist you in obtaining your Visa for travel.

Kind regards,

Mike Pickford
