Invitation Letter for Visa Purpose

To Dr. Yan Yang State Key Laboratory of Catalysis Dalian Institute of Chemical Physics Chinese Academy of Sciences Dalian 116023, China March, 28th 2015

Dear Dr. Yan Yang,

We are delighted that you have registered to participate to the 5th International Meeting on Quadruplex Nucleic Acids (http://g4meeting2015.sciencesconf.org). This International Meeting will be held this year in Talence near Bordeaux, France, from 26th to 28th May 2015. The meeting is held for three full days, so we strongly recommend arriving in Bordeaux on May 25th and leaving on May 29th.

On behalf of the scientific organizing committee of the meeting, we have great privilege and pleasure to welcoming you as a participant. Moreover, we hereby confirm the **acceptance of your abstract** "A dual functional G4-DNAzyme for cells antiproliferation mediated by nucleolin targeting and hydrogen peroxide trigger" **for a poster presentation** at the conference. French public trustees and private laboratories will be sponsoring this meeting.

We earnestly request the French consulate to issue a suitable visa for **Dr. Yan Yang** travel to France in May 2015 to attend the 5th International Meeting on Quadruplex Nucleic Acids. Any assistance you can provide to facilitate the visa process will be greatly appreciated. If you require any further information please do not hesitate to contact us.

We look forward to seeing you in Bordeaux. Yours sincerely,

Dr. Valérie Gabelica & Dr. Jean-Louis Mergny (local organiers)
