## Invitation Letter

Dear Dr. Shengye Jin,

The upcoming 1<sup>st</sup> Annual World Congress of Smart Materials-2015 (WCSM-2015) with the theme “Co-creating Dream of Smartness” will be held during March 23-25, 2015 at Busan, Republic of Korea. On behalf of the Organizing Committee, we would be honored to have you as an invited speaker for **Session 1011: Smart Materials for Energy Harvesting/Energy Conversion/Production/Transistor** in WCSM-2015. We hope you will be able to accept our invitation and join us in Busan!

The 1<sup>st</sup> WCSM-2015 plans to shoot for 200+ oral presentations in Smart Materials Science and Technologies, Properties Characterization of Smart Materials, Piezoelectric Materials, Magnetostrictive Materials & Electrostrictive Materials, Smart Fluid, Hydrogels and Phase Change Materials, Shape-Memory Alloys & Shape-Memory Polymers, Luminescent, Chromogenic Smart Materials, Smart Biomaterials, Smart Nanomaterials, other Smart Materials and Industrial Symposia. More than 300 world-renowned experts, academicians, senior scientists, industry executives and project leaders from 50+ countries will participate together. It is intended to provide a platform for professionals around the world to exchange state-of-the-art research and development and identify research needs and opportunities in this emerging field. We believe the WCSM-2015 will bring about enormous benefits as well as open up a new and broader pathway for information and experience exchange all over the world.

For more information regarding WCSM-2015, please visit our conference website at <http://www.bitcongress.com/wcsm2015/>.

We look forward to your active support and participation.

Sincerely Yours,

Xiaodan Mei, Ph.D.
