Invitation

Dear Professor Zhang

On behalf of the organizers and on recommendation of Dr. Ludwig Jörissen it is a great pleasure for us to invite you to join 14th Ulm Electrochemical Talks (14th UECT), Topic:

"Next Generation of Electrochemical Energy Technologies".

We would be honoured to welcome you as an invited speaker to give a presentation on a subject of **Flow battery technology: Challenge and Prospect**. The 14th Ulm Electro Chemical Talks (14th UECT) will be held in Ulm, Germany June 23-26, 2014.

You don't have to pay any registration, hotel or banquet fees. Unfortunately we are not able to provide further support for travel expenses.

Please feel free to communicate with us if you have any questions or suggestions.

We are looking forward to seeing you in Ulm.

Best regards

INVITATION LETTER

DATE: 24.03. 2014

C.C.: VISA OFFICER, EMBASSY OF GERMANY IN CHINA

Dear Prof. Zhang,

We are very pleased to invite you to visit our company, FuMA Tech GmbH, during 27th to 30th June, 2014 for the purpose of discussing the supply of membranes for VRB systems of RONGKE POWER and presentation of results obtained on testing FUMATECH membranes in VRB applications at the Dalian Institute of Chemical Physics.

We suggest you arrange 4 days so that you have enough time to inspect our company and discuss the cooperation details in Germany.

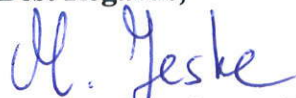

Please be noted that all the expenses will be beared by your company self and we will be glad to do some assistance work, such as booking domestic airplane/bus/train ticket and the hotel reservation in your visit cities.

We did all necessary pre-work according to your personal information as below:

Dear Prof. Zhang

On behalf of the Organising Committee of the International Flow Battery Forum, I am pleased to confirm arrangements for the forthcoming conference in Hamburg, Germany on the 1st and 2nd July 2014. The conference will be particularly relevant to your work in redox flow battery systems and it will be of benefit to other attendees to hear of your activities in this area.

I invite you to register for the conference through our website and to make your own travel and accommodation arrangements to allow sufficient time for you to travel to Germany, to allow for any travel delays and to meet other conference participants before and after the Forum.

I look forward to seeing you in July 2014.

Yours sincerely

Anthony Price
Secretary, The International Flow Battery Forum 2014.
