February 6, 2014

Dear Professor Can Li,

It is our great pleasure to invite you to 2014 International Conference on Artificial Photosynthesis (ICARP2014), which will be held at Awaji Yumebutai International Conference Center Awaji City, Hyogo, Japan on November 24-28, 2014

At the Conference, the top scientists from all over the world in the artificial-photosynthesis research area will get together. Stimulating reports on latest research results and discussions on the present situation and the future prospect of the artificial photosynthesis as well as those on the related project in each country will be intensively presented.

We would like to invite you to this momentous ICARP2014 as an Invited Speaker. The cost of your accommodation as well as registration fee will be supported by the Organizing Committee, but the expense of your travel will not be supported.

We should be very honored if you could accept our invitation and participate in the conference.

We look forward to seeing you at Awaji in the autumn of 2014.

Sincerely yours,

Haruo Inoue

Chair of ICARP2014

Professor of Tokyo Metropolitan University
