Visit of the Summer School of our Helmholtz Graduate Research School on Energy- Related-Catalysis

Dear Professor Goldbach,

I am pleased to invite you to the Summer School of our Helmholtz Graduate Research School on "Energy-Related-Catalysis" to be held from July 28 to August 1, 2014 in Hofheim, Germany. I have arranged accommodation for you in Hofheim from July 27, 2014 until August 2, 2014.

The summer school will be jointly organised by the Helmholtz Research School on Energy-Related-Catalysis and the Helmholtz-CAS Joint Research Group on Integrated Catalytic Technologies for efficient hydrogen production and will focus on "State of the Art and new Methods for Catalyst Preparation and Characterisation in every-related Catalysis".

Details of the agenda and the location will be communicated soon.

I wish you a safe and pleasant journey and I look forward to welcoming you in Hofheim this July.

Yours Sincerely,

Prof. Dr.-Ing. Roland Dittmeyer
