RE: Session Chair Invitation and Attendance at the MicroTAS 2014 Conference

Dear Dr. Jianhua Qin,

As Conference Chair of this international conference, I would like to invite you to serve as a Session Chair and attend the 18th International Conference on Miniaturized Systems for Chemistry and Life Sciences (MicroTAS 2014). This meeting will be held 26-30 October 2014 at the Henry B. Gonzalez Convention Center in San Antonio, Texas, USA. I believe your expertise and experience would enhance the meeting as you served as an Executive Technical Program Committee Member which had the responsibility to read, evaluate and judge the initial abstract submissions. Unfortunately, it will not be possible for the meeting to provide any financial support for either your registration fee, travel, and lodging expenses.

Please do not hesitate to contact me if you have any questions regarding this invitation and your participation during the conference.

I look forward to seeing you in San Antonio, Texas in October.

Stephen C. Jacobson, Ph.D.
Co-Chair of the MicroTAS 2014 Conference
Professor of Chemistry, Indiana University, USA
