Dear Prof. Zhang:

As a topic conference organizer of the AIChE annual meeting, I would like to invite you give a keynote speech to technical session of Green Product Design under topic conference of Innovations of Green Process Engineering for Sustainable Energy and Environment in the coming meeting in Atlanta, Georgia, November 16-21, 2014.

The Green Product Design is a new technical session to be started at the AIChE annual meeting this year. We are looking for renowned researchers in the world to kick off this session. With your distinguished accomplishment in the area of catalytic conversion of cellulose to ethylene glycol, I believe that you will make an impactful presentation to this technical session. Details of the meeting program, abstract submission, and registration can be found at the web site: <https://aiche.confex.com/aiche/2014/cfp.cgi>.

The program will be finalized in May, 2014. We hope that you would accept our invitation and prepare your trip earlier.

Let me know if I can be of further help.

Sincerely,
